**OUTSTANDING
1ST RESPONDER
AWARD**

Who can be the TRIAD/Partners in Aging

Outstanding 1st Responder?

A nominee for the TRIAD/Partners in Aging Outstanding 1st Responder Award can be a member of the law enforcement or fire and rescue community in The City of Fredericksburg or Counties of Caroline, King George, Spotsylvania and Stafford.

First responders work tirelessly and risk their lives every day for our health and security. They are the first people on the scene; whether it's a car accident, a fire, or a health emergency, when you are in trouble, they are the heroes that come to the rescue. We invite professionals and residents of the Fredericksburg Region to nominate a worthy first responder. Qualifying first responders should be active members of emergency service organizations. They may be paid or volunteers. Emergency service organizations include police departments, sheriff departments, fire departments, ambulance services and other emergency response/rescue services. They must have served in their Outstanding 1st Responder role in assisting an area senior citizen (60 +).

Complete the application and provide a nomination essay that includes the name of the individual being nominated and explain why they are deserving of the award. Your submission will be considered by a panel and the winner will be recognized at an awards reception by Partners in Aging in the Fall . All are invited to attend this award reception.

Please submit your nomination(s) to info@partnersinaging.org.

Thank you for being part of this exciting program as we honor those who serve our communities.
